STANDARD POLICIES

Moisture and shrink grades are NOT averaged by load.

Please notify the office BEFORE hauling grain if you would like to defer your payment to the following January.

If you haven't hauled to us before, give the office a call so we can set you up with an account!

Please notify office and scale operator concerning owner and split percentages.

Corn delivered without contract will be spotted at the end of the day, unless prior arrangements have been made.

New Fashion Pork reserves the right to reject any corn that is found to be musty, heat damaged, sour, or has a commercially objectionable foreign odor (COFO). This includes fumigated corn (no pellets or residue). Loads with two or more live weevils are considered infested and will be rejected
